Objektivitas dan efektivitas penyelesaian sengketa di WTO: Negara berkembang VS negara maju

Abstrak

Negerally trading dispute resolution between WTO's members settled by mediation of dispute settlement body (DSB). Can thus body solved objectively the dispute between developing country and developed country? can the DSB's decision fairly implemented? what's next step if the DSB's decision has not been realised by defeated country till deadline what's next step? how is the procedure if retaliation as the last effort to be chosen and permitted by the DSB? ....
