The resource American Family Physician called "a valuable and convenient source of educational guides" is back in an updated New Edition. All the most common diseases, conditions, and problems encountered in outpatient geriatric care are covered by 185 information sheets. Each sheet features an overview of the problem, important points of treatment, directions on when to contact a physician, and space for customized instructions. Allows readers to add their own instructions with additional space provided on each printed topic sheet. Makes information easy to grasp with a large type size and a consistent, patient-friendly format
