

Machine tool practices

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=115521&lokasi=lokal>

Abstrak

This timely book covers the core subject areas essential toward building a basic foundation required to effectively work in the machining area of today's manufacturing technology. Each section begins with an introductory overview, followed by easy-to-read instructional units designed around specific projects that accurately reflect the state of the art in industrial machine shop environments.
