

Distribution of monogonont rotifers, brachionus spp in North Sulawesi

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=119524&lokasi=lokal>

Abstrak

In order to characterize the distribution pattern of rotifers *Brachionus* spp. in North Sulawesi, sample collections have been conducted at four locations, two at east coast and other two at West coast of North Sulawesi peninsula, which are connected to Maluku and Sulawesi Seas, respectively....
