

Current development of Canada's data exclusivity regime : how does Canada react to nafta, trips and dangle between pharmaceutical innovation and public health?

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=121098&lokasi=lokal>

Abstrak

As data exclusivity has first been incorporated into the North American free trade agreement in 1993, the government of Canada has endeavored to implement its international obligations by introducing the data exclusivity regime into section C.08.004.1 of food and drug regulations with a view to encourage the pharmaceutical innovation and investment....
