

Pengaruh kualitas audit terhadap manajemen laba perusahaan perbankan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=121930&lokasi=lokal>

Abstrak

This research investigates the influence of audit quality to earnings management. Audit quality had been proxies by the direction of auditor change, that switch from big audit company to small audit company and vice versa. The accounting discretionary accrual is used as a proxy to earnings management....
