

Artist's economic and other rights : A triptych

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=127999&lokasi=lokal>

Abstrak

What rights does an artist have over his creations, the results of his creative pursuit? This article discusses three rights of artist. They are : (a) copyrighta and the contingent issues of what constitutes an original and therefore copyrightsble,work (b) moral rights, covering the rights of atribution and integrity and (c) right to royalties in subsequent sales of the creation....
