

## The discourse of wages : A possible rethinking of the grounds of a just wage

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128036&lokasi=lokal>

---

### Abstrak

This work seeks to propose a philosophical perspective for rethinking the principles of just wages. It does this by exploring the meaning of entrepreneurship, the alienation of the poor from the rationality of the dominant economic system, and the market determination of wages....
