

Joint Development zone : An alternative solution in solving the ambalat case between Indonesia and Malaysia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128045&lokasi=lokal>

Abstrak

An overlapping claim in any maritime zone requires maritime boundary delimitation. Unfortunately, delimitation of maritime boundaries on continental shelf has been recognized as a complicated issue since it may create serious tensions and even armed conflicts between coastal states due to the ambiguity of international law in this area...
