

Identity in post Suharto Indonesia : Potential and pitfalls of decentralisation : Reflection on conservations in Jakarta and Bandung / Janet McIntyre-Mills

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=128051&lokasi=lokal>

Abstrak

Balancing individual and collective interests is the challenge in Indonesia and in Australia, where the challenge is (a) to enable decentralised involvement in decisions to enhance a sense of attachment to an inclusive democracy and (b) achieve careful evidence based policy to guide the use of resources for the common good
