

Latar belakang kudeta militer Thailand pada masa pemerintahan PM thanksin sinawatra

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=129199&lokasi=lokal>

Abstrak

Since its emergence in Thailand, the military has significant role in politics. It is proved by the coups which are mastermind by military. Although they has backward from political stage in 1991. but in 2006 the military re-involve in politics. The military involvement in politics was caused by two factors : firstly the internal factor namely the value and military orientation either individually or organizationally and also conflict of interest between military and civilian....
