

Budaya belajar mandiri dan pembelajaran bahasa Inggris

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=130146&lokasi=lokal>

Abstrak

The paper discusses the possibility to study autonomously to improve the language skills of Indonesian language learners. The results of research on autonomous language learning are used to argue a point of view saying that it is hardly difficult to implement autonomous language learning mode to Asian learners due to the fact that the learners are highly dependent on their teachers....
