

Pengaruh insider ownership, kebijakan hutang dan kebijakan pembayaran deviden terhadap return saham pada perusahaan publik di Indonesia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=130828&lokasi=lokal>

Abstrak

The research tries to know impact insider ownership and Debt Policy to stock return. The research objects are the company that was registered in the Indonesian Stock Exchange in 2005 until 2008 that announce dividend. The sampling method is purposive sampling method and it can find 13 sample companies that announce dividend. Hypothetical testing method is Multistage Regression with the significance level 0,05. The result shows there is no significant impact insider ownership and Debt Policy to Dividend Policy. So Dividend Policy no impact to Stock Return.
