

Kode etik penyelenggara negara dalam mewujudkan Good Governance

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=131845&lokasi=lokal>

Abstrak

Implementing a modern governance requires application on the principles of good governance in all aspects of state living. It involves transparency, law enforcement and public accountability that have been the spirit in governance implementation by involving all actors inside and outside of governance. The awareness to realize good governance is badly decided by state the implementers at central and local level. Therefore, they should have ethics code as the basis to work attempted to apply and realize good governance. In such a way, good governance not only as a formal effort, but also to colorize each governance activity.
