

Perilaku Birokrasi : Dimensi dan Refleksi

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=131891&lokasi=lokal>

Abstrak

Human being is unique as both an individual and social creature. This uniqueness then encourages people to behave dynamically and multi-dimension as well. This paper discusses the meaning, dimension, and reflection of the people behavior in term of organizational life in the public sector, the phenomenon that later is so called bureaucracy bahavior.
