

Reformasi Birokrasi BKN: pemikiran sederhana untuk direnungkan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=132536&lokasi=lokal>

Abstrak

This article briefly and simply explains about the bureaucracy reform in BKN. BKN as government institution that has responsibility in civil service management in Indonesia, should be the first in conducting the bureaucracy reform, especially the improvement of the civil service reform in Indonesia. At least, there are four conditions which are needed by a government institution leader in implementing bureaucracy reform successfully, that are vision, competence, commitment and courageous.
