

Akuntabilitas penyusunan Anggaran Pendapatan dan Belanja Daerah - Perubahan (APBD-P) kota Samarinda tahun 2009 oleh Dewan Perwakilan Rakyat Daerah Kota Samarinda

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=132622&lokasi=lokal>

Abstrak

Budgeting is part of local legislative task. Its accountability mechanism in these activities should not rely on administrative accountability, but should include a wide accountability to public. Transparency in changing local budgeting process must be considered as part of the whole process. The local legislative concern to accountability in their tasks and functions will affect on the public trusts to the local legislative.
