Abstrak

The decreasing rate of involvement in organized groups and with voting by young people is a disturbing trend that perhaps can be turned around. *Becoming Citizens: Deepening the Craft of Youth Civic Engagement* brings together civic education, experiential education, and political theory to provide a revealing multiple-perspective examination of the new alternative way of practice in the youth work field called civic youth work. This helpful resource bridges the theory of civic engagement with education, ground both in extensive data, and then discuss various youth civic engagement init.
