

New Museums and the the Making of culture

Message, Kylie, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20223973&lokasi=lokal>

Abstrak

Museums are much more than scholarly, cultural archives. They reflect global economics and local politics. They shape our public culture. This book reveals how the museum is evolving as a cross-disciplinary, self-consciously political, and often avowedly self-reflexive institution.
