Abstrak

ABSTRAK

Tesis ini membahas mengenai liberalisasi sektor telekomunikasi di Indonesia sebagai bentuk komitmen Indonesia di WTO, khususnya ketentuan General Agreement on Trade in Services (GATS) dengan melihat pada Schedule of Commitment dan regulasi domestik Indonesia. Penelitian ini dilakukan dengan metode normatif preskriptif untuk melihat sejauhmana perkembangan liberalisasi sektor telekomunikasi di Indonesia serta kesiapan Indonesia dalam menghadapi liberalisasi agar dapat memanfaatkan peluang sekaligus melindungi kepentingan nasional Indonesia. Hasil penelitian menunjukkan bahwa liberalisasi sektor telekomunikasi di Indonesia telah dimulai dengan pemberlakuan Undang-Undang Nomor 36 Tahun 1999 Tentang Telekomunikasi serta berakhirnya konsep monopoli di sektor telekomunikasi Indonesia. Dalam perkembangannya pemerintah telah melakukan upaya yang cukup menunjang dalam rangka menghadapi liberalisasi agar dapat efektif memanfaatkan hasil liberalisasi.

ABSTRACT

This thesis is concerning about liberalization of telecommunication sector in Indonesia as Indonesian's commitment in WTO, especially stipulation in General Agreement on Trade in Services (GATS) by refers on Schedule of Commitment and domestic regulation in Indonesia. This research is conducted using normative prescriptive methods to discover how far are the liberalizations of telecommunication sector development in Indonesia and the preparation of the country in dealing with liberalization so it will be able to take advantage of opportunities and also to protect Indonesia's interests. The result of the research shows that the liberalizations of telecommunication sector in Indonesia has initiated by the Act no 36, 1999 About Telecommunication and the end of monopoly concept in Telecommunication sector of Indonesia. Within the development, the government has conducted moderate value of supporting effort in order to deal with liberalization to be effective in utilize liberalization output.
