

Faktor-faktor penyebab keterbatasan Tenaga Ahli dalam Seleksi Jasa Konsultansi di Departemen Pekerjaan Umum

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20303740&lokasi=lokal>

Abstrak

In selection of consulting services as known as consultant tender, the highest scoring from the process is in proposed experts. For consulting services selection in Ministry of Public Works arranged by regulation Keputusan Menteri Permukiman dan Prasarana Wilayah No: 257/KPTS/M/2004 includes: Standard of Selection Document, Guidance of Qualification Assessment, and Guidance of Proposal Evaluation. Wherein the regulation as implementation from higher regulations such as UU No. 18/1999, PP No: 28/2000, PP No: 29/2000, Keppres No: 80/2003, and Keppres No: dl/2004. In fact, the implementation of those regulations is not along with consultant readiness in providing experts that appropriate with rule and regulation. From the implementation of the regulations emerge obstacles whether in consulting company as participant of consulting services selection (tender participant) or procurement committee. Obstacles in consulting company are the expert limitedness in following consulting services selection in Ministry of Public Works arranged by Keputusan Menteri Permukiman dan Prasarana Wilayah No: 257/KPTS/M/2004. From data collecting with questionnaire distribution obtained 40 respondents answered the expert limitedness affected by 21 factors in major i.e. consultant company, expert, regulation, tax, expertise certification, profession association, INI(INDO, LPJK, and owner in this case Ministry of Public Works. Will: Statistical Analysis (SPSS 13.0 for Windows) consists of Correlation-Intercorrelation Analysis, Factor Analysis, Regression Analysis and Model Test resulted there are the 5 definitive factors affect the expert limitedness are lack of readiness of INKINDO, lack of awareness in expert tar payment, lack of socialization and dissemination in expertise certification, budget limitation (high cost), and ignorance of expert about the obligation related with administration clauses.
