Abstrak

Penelitian ini membahas mengenai Pengorganisasian akreditasi JCI pengelolaan akreditasi JCI di RSUP Nasional Dr Cipto Magunkusumo Jakarta Tahun 2012. Pengorganiasaian akreditasi JCI berdasarkan pada standar pelaksanaan akreditasi JCI yaitu tahap Initial Assessment, Preparation, Tracer, Implementasi, Evaluasi, Milestone, Mock Survey, Survey akreditasi dan Keputusan akreditasi. Penelitian ini menggunakan metode penelitian kualitatif dengan wawancara mendalam, observasi, dan telaah data sekunder.

Penelitian menunjukkan bahwa pengorganisasian akreditasi JCI di RSCM sudah berjalan cukup optimal. Walaupun dalam Penatalaksanaannya penyelenggara menghadapi banyak tantangan seperti kurangnya dukungan dari Depkes dalam hal pendanaan, besarnya kapasitas dan ruang lingkup rumah sakit, budaya organisasi yang belum sepenuhnya berubah dan kurangnya dukungan dari SDM lain diluar kepanitiaan.
