Abstrak

ABSTRAK

Penelitian ditujukan untuk mengetahui alasan Hambali lepas ke tangan Amerika Serikat. Penelitian Ini akan dikaji dengan menggunakan konsep keamanan nasional dan intelijen. Dengan kedua konsep tersebut penelitian ini membuktikan bahwa perbedaan persepsi keamanan nasional antara Indonesia dan Amerika Serikat terkait penanganan terorisme menhadikan operasi intelijen yang dilakukan oleh Indonesia tidak, semaksimal Amerika Serikat.

ABSTRACT

The aim of the research is to explain the reasons of capturing of Hambali by The United States of America. This research would be studied by using both of National Security and Intelligence concepts. With the both of those concepts this research will prove the difference of National Security perception between Indonesia and United States of America which related to counter-terrorism that made intelligence operation in Indonesia seems not as well as The United States of America.
