Abstrak

Penelitian ini dilakukan terhadap data keuangan tahun 2007-2011 bertujuan untuk menjelaskan hubungan antara rasio kontribusi penjualan terhadap pajak penghasilan badan CTTOR dan rasio profitabilitas para perusahaan di industri manufaktur. Penelitian ini juga ingin menunjukkan apakah ada perbedaan signifikan antara rasio kinerja operasional para perusahaan di industri manufaktur dan rasio benchmarking yang dikeluarkan Direktorat Jenderal Pajak. Hasil penelitian menunjukkan adanya hubungan positif signifikan antara CTTOR dan rasio profitabilitas. Perbedaan antara rasio kinerja keuangan perusahaan dan rasio benchmarking menunjukkan perbedaan yang tidak signifikan mengindikasi bahwa sampel memiliki kinerja operasional yang wajar sesuai pajak.
