Abstrak

Tesis ini membahas hubungan antara kebijakan Modal Bersih Disesuaikan dan Pengelolaan Rekening Terpisah Pialang Berjangka yang ditetapkan pemerintah terhadap usaha perlindungan dana nasabah. Pialang Berjangka harus memiliki reputasi keuangan yang baik dan integritas bisnis yang tinggi serta profesional mengingat bahwa Pialang Berjangka dalam kegiatannya mengelola dana masyarakat yang jumlahnya tidak sedikit. Penelitian ini adalah penelitian kuantitatif dengan menggunakan data primer. Hasil penelitian menyarankan dalam rangka meningkatkan perlindungan terhadap dana nasabah, Pialang Berjangka harus mempertahankan nilai Modal Bersih Disesuaikan, serta mengelola Rekening Terpisah.
