Abstrak

Tesis ini membahas Kerjasama Nuklir Sipil Amerika-India melalui 123 Agreement. Hal ini merupakan bentuk kebijakan pragmatis Amerika Serikat dalam pencapaian kepentingannya. Penelitian ini adalah penelitian deskritif. Hasil penelitian menunjukkan kebijakan nuklir sipil AS-India dalam 123 Agreement merupakan bentuk kontrol terhadap perkembangan nuklir India. Perkembangan India dijadikan penyeimbang kekuatan bagi dominasi Cina di Kawasan Asia.

.....This thesis discusses Civil Nuclear Agreement between United States of America and India in 123 Agreement. It's a pragmatic policy of USA in achieving its interest. This research is a descriptive research and the result of the research shows that USA-India Civil Nuclear Agreement is a control that USA did over Indian Nuclear development. The development of India becomes the balance of China domination in Asian region.
