Abstrak

Skripsi ini mengenai analisis pelaksanaan retribusi pelayanan pasar terhadap Pedagang Kaki Lima Lokasi Binaan Usaha Sementara berdasarkan pengadministrasian pendapatan daerah Proses Identifikasi objek retribusi berdasarkan data yang diusulkan oleh Kelurahan dan Kecamatan Identifikasi. Subjek Retribusi berdasarkan KIPTU yang dikeluarkan Suku Dinas Koperasi UMKM dan Perdagangan Penetapan retribusi berdasarkan Perda Nomor 3 Tahun 2012. Wawancara mendalam dilakukan terhadap Kepala Seksi UMKM Jakarta Timur ahli asosiasi pedagang dan Koordinator Pedagang. Dalam pemungutan retribusi pasar ditemukan kendala baik internal Suku Dinas Koperasi UMKM dan Perdagangan maupun eksternal. Penelitian ini menggunakan pendekatan kualitatif dengan jenis penelitian deskriptif. Hasil penelitian yaitu masih banyak kelemahan dalam pemungutan diantaranya adalah kebocoran dalam pemungutan dan tidak tegasnya sanksi yang dikenakan sehingga Pemerintah daerah perlu melakukan pengawasan dan penegakan hukum agar wajib retribusi patuh dalam membayar retribusi.

.....This thesis discusses about the analysis of market services charges on Street Vendors at Temporary Locations Patronage of Business based on local revenue administration. The process of identification charge object is based on the data by the village and district levels. The identification of charges subject based on KIPTU issued by Parts Trade Cooperatives and SMEs. Market setting fees based on Regulation No. 3 of 2012. In-depth interviews conducted on SMEs Head of East Jakarta, expert, associate, merchants and traders Coordinator. In implementing market levy, found several obstacles both internal SMEs and Cooperatives Dept of Trade and externally like collection leaks. This research using a qualitative approach with descriptive research. The results obtained from this research are, there are still many weaknesses in the collection, such as leaks in the collection and not specifically sanction imposed, so governments need to conduct oversight and enforcement in order to obey the compulsory levy to pay the charges.
