Abstrak

Skripsi ini membahas mengenai ketentuan merger berskala internasional mengenai merger yang dilakukan oleh perusahaan asing yang berada di luar yurisdiksi negara Amerika Serikat, Jepang, Uni Eropa dan Indonesia serta pengakuan otoritas persaingan usaha masing-masing negara tersebut terhadap merger asing yang terjadi di luar wilayah negaranya ditinjau dari hukum persaingan usaha. Metode penelitian ini bersifat yuridis normatif.

Hasil penelitian ini menyarankan kepada pemerintah untuk memperbaiki peraturan perundang-undangan terkait persaingan usaha agar dapat mengendalikan dan mengawasi merger yang terjadi di luar wilayah Indonesia yang dapat berdampak bagi persaingan usaha Indonesia dan menerapkan hukum persaingan usaha Indonesia bagi merger asing.

This thesis discusses the provisions merger of international scale about mergers done by foreign companies located outside the jurisdiction of a United States, Japan, The European Union and Indonesia as well as the regulation of competition authorities against each merger foreign that occurs outside the region of country viewed from business competition law. A method of this research is juridical normative.

This research result would suggest to the government to improve regulation related to the business competition in order to control and monitor merger that occurs outside the territory of Indonesia which could have implications for competition of Indonesia and apply the Indonesian competition law to foreign mergers.
