ABSTRACT

Pharmacist Internship Program at PT. Pfizer Indonesia, Jakarta Timur. This Pharmacist Internship Program activity is intended to allow the apothecary profession students to directly see the activity that takes place in the pharmaceutical industry, to gain knowledge and insight into all aspects related to the pharmaceutical industry especially in terms of the GMP implementation at PT. Pfizer Indonesia, and to understand the role and duties of pharmacist in the pharmaceutical industry. The special assignment that is given is entitled Standard Work of SOP Management at PT. Pfizer Indonesia. This special assignment aims to observe the process of SOP management and to make a standard work of SOP management so the work can be done more effectively and efficiently.
