

At a glance ilmu bedah = Surgery at glance

Grace, Pierce A., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20393209&lokasi=lokal>

Abstrak

Surgery at a Glance provides a concise and accessible introduction and revision aid for medical students undertaking their surgical attachment. The easy-to-use At a Glance format presents each topic as a double-page spread. The key facts are accompanied by clear diagrams encapsulating all that students need to know." "Surgery at a Glance is the book for surgical finals. This new edition: now includes colour to enhance understanding; focuses on the core principles and the important diseases appropriate to the current curriculum; is divided into clinical presentations followed by major surgical conditions; and features a new tinted box for the cancer chapters that provides the 2-week-wait referral criteria."--BOOK JACKET
