

Intensive one-session treatment of specific phobias

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20396240&lokasi=lokal>

Abstrak

Intensive one-session treatment of specific phobias not only provides a summary of the evidence base, it also serves as a practical reference and training guide. This concise volume examines the phenomenology, epidemiology, and etiology of phobias, laying the groundwork for subsequent discussion of assessment strategies, empirically sound one-session treatment methods, and special topics. In addition, expert contributors address challenges common to exposure therapy, offer age-appropriate guidelines for treating young clients, and describe innovative computer-assisted techniques.
