

Capital equipment purchasing: optimizing the total cost of CapEx sourcing

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20396503&lokasi=lokal>

Abstrak

Capital equipment purchasing can significantly influence companies' economic success. However, in many companies the degree of professionalism of this particular form of procurement has not yet reached the required level. Likewise, from a scientific perspective, the topic leads more of a "shadowy existence". Compared to other main groups of procurement, capital equipment features numerous characteristics that significantly impact the purchasing process. The process of purchasing capital equipment therefore requires specific attention and above all a systematic approach.
