Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20397474&lokasi=lokal>

Abstrak

Pharmacy Terminology is unique in offering terminology directed to pharmacy technicians and pharmacists. This thorough resource of terminology is supported by the use of full color photos and illustrations that bring the book to life To present a complete review of pharmacy terminology, it covers general terminology, reviews drug terminology, and discusses pathological conditions along with the the medications used to treat them. StudyWARE CD-ROM accompanies the book with a variety of questions types, as well as correct pronunciations with audio examples
