

Multiple fuzzy classification systems / Rafal Scherer

Scherer, Rafal, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20398565&lokasi=lokal>

Abstrak

The present book discusses the three fields, fuzzy systems, rough sets and ensemble techniques. As the trained ensemble should represent a single hypothesis, a lot of attention is placed on the possibility to combine fuzzy rules from fuzzy systems being members of classification ensemble. Furthermore, an emphasis is placed on ensembles that can work on incomplete data, thanks to rough set theory.
