The volume takes a close look at many of the challenges facing Southeast Asian tourism at a critical stage of transition and transformation, and following a recent series of crises and disasters. Building on and advancing the path-breaking. *Tourism in South-East Asia* , produced by the same editors in 1993, it adopts a multidisciplinary approach and includes contributions from some of the leading researchers on tourism in Southeast Asia, presenting a number of fresh perspectives. The volume combines introductory material with an in-depth examination of anthropological writing on Southeast Asian tourism followed by case studies dealing with as diverse issues as globalization, terrorism, 'romance tourism' and ecotourism.
