Pengelolaan perbatasan ditinjau dari sisi sosial, ekonomi, dan ekologi

Deskripsi Lengkap: https://lib.ui.ac.id/detail?id=20399855&lokasi=lokal

Abstrak

This article elaborates various challenges that Indonesia is facing in its efforts to narrow that social economic gap occurring in its border areas, both on land and waters. The focus of the article is that economic development that is based on each region's...
