

Ethnocinema: intercultural arts education

Harris, Anne M.

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20399977&lokasi=lokal>

Abstrak

With access to online filmed material included, this publication is part handbook and part theoretical treatise framing a new creative ethnographic methodology. One of a rare breed of books covering the visual research techniques that are gaining traction in the academic community, it also introduces ground-breaking intercultural research into Sudanese women who have resettled in the West. Functional as pedagogic material in university and high school classrooms, this package has broad appeal in the academic and educational sectors.
