

Sosiologi perubahan sosial

Sztompka, Piotr, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400601&lokasi=lokal>

Abstrak

Summary:

Reappraises the legacy of sociological thinking about change, from the classical to the contemporary, covering four grand visions of social and historical change which have dominated the field since the 19th century: the evolutionary, the cyclical, the dialectical and the post-developmentalists
