

Quality of life in Italy: research and reflections

Filomena Maggino

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400700&lokasi=lokal>

Abstrak

This volume is full of cogent analysis of topics and issues related to well being and quality of life, including focused papers on specific population groupings and discrete themes. Some papers provide data on other European nations that allow for comparative assessment, while others set out fresh approaches to evaluating quality of life itself.
