

Ratio and proportion: research and teaching in mathematics teachers education (pre- and In-service mathematics teachers of elementary and middle school classes)

Ben-Chai, David, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400704&lokasi=lokal>

Abstrak

This book offers its readers an intellectual adventure where they can acquire invaluable tools to turn teaching ratio and proportion to professionals and school children into an enjoyable experience. Based on in-depth research, it presents a deep, comprehensive view of the topic, focusing on both the mathematical and psychological-didactical aspects of teaching it. The book reports on hands-on experience in the college classes plus teachers' experience in the actual classroom setting.
