

African ecology - benchmarks and historical perspectives

Spinage, Clive A., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20401922&lokasi=lokal>

Abstrak

This book form a background reference work to understanding how the ecology of Africa has been shaped by its past. Reviewing historical data wherever possible it adopts an holistic view treating man as well as animals, with accent on diseases both human and animal which have been a potent force in shaping Africa's ecology, a role neglected in ecological studies.
