

Education, community engagement and sustainable development : negotiating environmental knowledge in Monteverde, Costa Rica

Blum, Nicole, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20402007&lokasi=lokal>

Abstrak

This book explores environmental learning within formal education, in programmes by non-governmental organisations, and in public education spaces in Monteverde, Costa Rica. The discussion also highlights the need for more research to understand the broader social and economic interactions between such efforts and the communities in which they are located.
