[ABSTRAK

Tesis ini merupakan penelitian mengenai representasi ketokohan Hasan Saleh dan ketokohan Daud Beureueh di dalam novel Napoleon dari Tanah Rencong dan teksteks nonsastra. Penelitian ini bertujuan untuk mengungkap narasi ketokohan Hasan Saleh dan ketokohan Daud Beureueh dalam novel maupun teks-teks nonsastra. Landasan pemikiran yang dipakai dalam penelitian ini menggunakan perspektif new historicism. Hasil penelitian menunjukkan bahwa ketokohan Hasan Saleh dan ketokohan Daud Beureueh dalam teks novel direpresentasikan berbeda dengan teksteks nonsastra yang menjadi sumber dalam penelitian ini. Dalam teks novel, ketokohan Hasan Saleh direpresentasikan sebagai seorang yang memiliki peran besar dalam berjuang, membela, dan mempertahankan hingga menyatukan kembali Aceh dengan Indonesia. Akan tetapi dalam teks-teks non-sastra tersebut, nama Hasan Saleh sangat sedikit dimunculkan dan banyak dikenal sebagai Pemberontak. Sebaliknya, tokoh Daud Beureueh yang nama dan riwayat hidupnya banyak dibicarakan di dalam teks-teks nonsastra, dalam novel ini direpresentasikan berbeda dengan teks-teks nonsastra tersebut. Dengan demikian, Novel Napoleon dari Tanah Rencong merupakan novel historis yang mengungkapkan, menginformasikan, dan mempertanyakan kembali kebenaran peristiwa sosial politik yang terjadi di Aceh antara tahun 1942 sampai dengan tahun 1962. Sikap mengungkapkan, menginformasikan, dan mempertanyakan kembali kebenaran sejarah sesuai dengan perspektif new historicism yang memahami setiap segi realitas tertuang dalam teks dan struktur sosial ditentukan oleh ?praktik diskursif? yang dominan, sehingga harus dipertanyakan lagi kebenarannya.
