Reformasi dalam tata kelola penyelenggaraan pemerintah kita kenal dengan istilah reformasi birokrasi. Beberapa permasalahan yang dihadapi adalah perbedaan pemahaman terhadap peraturan dan manajemen sumber daya manusia aparatur belum dilaksanakan secara optimal untuk meningkatkan profesionalisme, kinerja pegawai dan organisasi. Tunjangan kinerja merupakan cara yang digunakan untuk meningkatkan profesionalisme kinerja pegawai sebagai bentuk penghargaan terhadap prestasi kerja Aparatur Sipil Negara dalam rangka pelaksanaan reformasi birokrasi. Tesis ini berupaya untuk mengetahui kesesuaian PERMEN KP Nomor 30/PERMEN-KP/2013 dalam hal penilaian dan pemberian tunjangan kinerja sebagaimana Undang-Undang Nomor 5 Tahun 2014 tentang Aparatur Sipil Negara mengaturnya dalam Manajemen Aparatur Sipil Negara (ASN) serta menganalisis dampak pemberian tunjangan kinerja dapat mempengaruhi peningkatan kinerja pegawai Inspektorat Jenderal (Itjen KKP) apabila dikaitkan dengan asas akuntabilitas dalam hukum administrasi kepegawaian. Penulisan tesis ini menggunakan metode penelitian yuridis normatif dengan melihat, menelaah dan menginterpretasikan hal-hal yang bersifat teoritis yang menyangkut asas-asas hukum berupa konsepsi, peraturan perundangundangan, pandangan, doktrin hukum dan sistem hukum yang berkaitan.

Berdasarkan analisis, perbedaan pemahaman mengenai peraturan pada tingkat pusat terhadap pengisian penilaian kinerja yang dilakukan berdampak tidak berjalannya penilaian kinerja secara teratur dan tertib. Pemberian tunjangan kinerja pada lingkup Itjen KKP belum menunjukkan peningkatan kinerja yang signifikan. Hal ini berakibat terhadap terhambatnya pelaksanaan reformasi birokrasi sebagai perubahan besar dalam tata kelola pemerintahan (good governance) di lingkup Itjen KKP.
