[ABSTRAK

Tesis ini meneliti tentang pemanfaatan penggunaan sumber elektronik dari online database yang dilanggan Perpustakaan Universitas Indonesia oleh mahasiswa sarjana UI. Tujuan penelitian ini adalah untuk mengetahui gambaran pemanfaatan online database oleh mahasiswa sarjana UI, mengetahui kendala yang dihadapi selama penggunaan online database, dan juga melihat peran pustakawan dalam mensosialisasikan dan membantu mahasiswa dalam pemanfaatan online database. Penelitian ini adalah penelitian kuantitatif dengan desain deskriptif dan menggunakan metode kuesioner dan wawancara mendalam sebagai metode pengumpulan data. Hasil penelitian ini menunjukkan pengetahuan mahasiswa yang cukup tinggi tentang keberadaan online database, akan tetapi tingkat penggunaannya masih rendah. Kendala terbesar yang ditemui responden adalah fasilitas internet UI yang lambat dan kurangnya pengetahuan dan kemampuan dalam menelusur online database. Selain itu, peran pustakawan kurang dirasakan oleh responden sehingga masih banyak responden yang tidak menggunakan layanan online database.
