### Abstrak

[<b>ABSTRAK</b><br>

Tesis ini membahas tentang bagaimana Kantor Imigrasi Kelas I Khusus Jakarta Barat dalam menjalankan salah satu fungsinya yaitu melakukan pengawasan terhadap orang asing baik itu yang berupa pengawasan administrasi.

Tujuannya adalah untuk mengetahui sejauh mana pengawasan tersebut berjalan dengan baik dan faktor apa saja yang menjadi faktor penghambat sehingga pengawasan terhadap orang asing di Kantor imigrasi Jakarta Barat tidak berjalan dengan baik.

Penelitian ini bersifat deskriptis dengan pendekatan desain kualitatif. Model analisis dengan mengajukan sejumlah pertanyaan yang menjadi dasar dari pengumpulan data. Informan dalam penelitian ini diambil dari pelaksana pengawasan orang asing yang keseluruhan berjumlah 4 orang.

Dari hasil penelitian yang dilakukan, disimpulkan terdapat adanya kelemahan pengawasan orang asing baik pada pengawasan administrasi maupun lapangan yang dapat menyebabkan pengawasan orang asing tersebut berjalan tidak baik. Kemudian didapat pula upaya yang dilakukan untuk meningkatkan pengawasan administrasi guna terciptanya pengawasan orang asing yang sesuai dengan dikehendaki.
