

Analisa dalam bekerja di dalam kelompok = Group analysis in working with groups and teams

Christabel Vania, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20404731&lokasi=lokal>

Abstrak

Laporan ini menjelaskan latar belakang, struktur dan pengembangan kelompok yang saya ditugaskan selama magang saya di salah satu perusahaan akuntansi dan konsultasi keuangan terkemuka di Indonesia yang disebut RSM AAJ. Perilaku dan peran masing-masing anggota dan konflik yang terjadi selama magang dan bagaimana konflik itu dikelola akan dijelaskan. Terakhir peran pemimpin tim dan teknik kelompok akan dijelaskan lebih lanjut.

.....

The report describes the background, structure and development of the group that I have assigned during my internship in one of the leading accounting and financial consulting firm in Indonesia called RSM AAJ. The behaviors and roles of each member and the conflicts that took place during the internship and how those conflicts are managed will be explained. Lastly the role of the team leader and the group technique will be further explained.
