[**ABSTRAK**

Koninklijke Luchtvaart Maatschappij (Maskapai Kerajaan Belanda), yang dikenal dengan inisial KLM, merupakan salah satu maskapai terkenal di dunia. Jurnal ini membahas mengenai indeks, ikon, dan simbol pada iklan banner di website KLM berbahasa Belanda. Penelitian ini menggunakan analisis deskriptif yang bertujuan untuk mengetahui peranan indeks, ikon, dan simbol yang digunakan dalam iklan KLM. Hasil analisis menunjukkan bahwa yang paling memiliki peranan besar adalah ikon dan simbol dibandingkan dengan indeks. Ikon dan simbol digunakan di semua iklan tetapi indeks hanya digunakan pada dua iklan. Ketiga unsur tersebut digunakan untuk menarik perhatian pembaca dan mempermudah pembaca memahami maksud dari iklan KLM tersebut.
