## Abstrak

[<b>ABSTRAK</b><br>

BDB Audio News merupakan sebuah aplikasi baru berbentuk berita audio digital yang berisi update berita harian dan dikelompokkan berdasarkan berbagai kategori sesuai minat baca para target audiensnya.

Dibentuk berdasarkan ide inkubasi dari sebuah Digital Production House yang melihat di era globalisasi target pengguna yang disasar melakukan mobilitas yang tinggi namun tetap membutuhkan informasi terbaru setiap harinya . Jenis aplikasi seperti ini merupakan hal yang baru di Indonesia sehingga BDB Audio News sebagai produk digital baru memiliki permasalahan dengan awareness dan positioning dimata target penggunanya.

Serangkaian strategi komunikasi yang mengusung Big Idea ?Faster,Smaller,Better? mencoba untuk memperkenalkan aplikasi berita audio pertama di Indonesia ini sebagai aplikasi dengan kecepatan download berita yang tinggi dibandingkan portal berita konvensional yang sering kali lama untuk diakses karena banyak iklan dan gambar dengan resolusi yang cukup tinggi, memiliki memori aplikasi kecil, yang tentunya menjadikan aplikasi ini lebih baik dan lebih praktis dibanding harus terlebih dahulu membuka portal berita konvensional untuk mengakses informasi atau berita.

Dengan menggunakan strategi digital yang terdiri dari web banner, social media dan web review serta memanfaatkan online forum sebagai alat untuk menjangkau target audiensnya. Biaya kampanye ini sebesar Rp. 118.150.000,00. Proses evaluasi dan monitoring akan dilaksanakan dengan menggunakan instrument digital untuk mengukur tingkat efektivitas dari kampanye ini.
