

Hydrologic time series analysis : theory and practice

Machiwal, Deepesh, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20405425&lokasi=lokal>

Abstrak

It deals with a comprehensive overview of time series characteristics in hydrology/water resources engineering, various tools and techniques for analyzing time series data, theoretical details of 31 available statistical tests along with detailed procedures for applying them to real-world time series data, theory and methodology of stochastic modelling, and current status of time series analysis in hydrological sciences.
